

Marriott's
GRANDE | PINES
Golf Club

Established as a must-play for visitors to Central Florida, Grande Pines was voted one of "America's Best Resort Courses" by Golfweek magazine.

This 18-hole championship Steve Smyers design will challenge the inner champion in the boldest of players, yet still offer options at every turn for the more conservative player. Nestled amongst sparkling lakes, towering pines and flourishing palms, Grande Pines is certified as an "Audubon Cooperative Sanctuary", and boasts the latest Tif-Eagle and Tif-Sport grasses to ensure the finest in turf quality.
